7:10 c.v. 8505 (C)(S)

Dear Honorable Judge Seibel:

As of 09/12/2012, I have not received a response from IBM nor Saturn Business Systems. I am requesting a preconference trial with Judge Seibel and/or Judge Smith to discuss the following issues necessary to move this case forward. Again, I have procedural questions and NOT strategy questions.

Please be specific regarding procedures, so that I do not unduly burden the courts.

1.) Please provide me with specifics regarding how you would like me to address my Opposition to the Defendants' and the IBM Corporations' unwillingness to respond to Discovery as Matter of Law, IBM falsification, since my two attempts to follow your procedures were not honored. IBM failed to respond to PLAINTIFF'S SUMMARY AS A MATTER OF LAW. THIS IS A CRIMINAL CASE. I AM THE VICTIM OF ASSAULT WITH A WEAPON. AS MY RESUME INDICATES, UBSPAINEWEBBER WAS AN ACCOUNT THAT I SOLD TO WHILE EMPLOYED AT IBM AND I WAS HARRASSED BY IBM EMPLOYEES. While obtaining my MBA, I investigated IBM's 401K on-line calculator and discovered that the calculations were doubling. I was denied advancement and harassed by IBMers and never paid as a whistle blower. I was being harassed on the job to negate my findings, keep me from obtaining a better position, as well as not pay me for my patents and bonuses. At one point in my IBM career, I was also selling to NASDAQ as an inside sales rep. I think Madoff may have been monitoring my phones as well. As a result, I left IBM and at the time, I did not have the means to proceed with legal justice. Since the behavior continued at an IBM Business Partner, I am seeking justice.

2.) Please advise on whether I need to submit my Deposition as additional evidence. If so, does my deposition need to be notarized, as well or is the fact that I sworn in by the court reporter suffice?

3.) Please advise if I am required to notarize each individual exhibit that I submitted with my SUMMARY JUDGEMENT AS A MATTER OF LAW. Frankly, my exhibits should be turned over to the FBI.

As far as the Court is concerned, the motion is fully submitted (meaning fully briefed) and no further papers will be accepted. Similarly, discovery is complete. The parties should await my decision on Defendants' summary judgment motion. As previously explained, I cannot provide my ~~advice~~ ^{advice} ~~advice~~ ^{advice} further advice to Plaintiff.

- 4.) Please advise if I am expected to respond to Alan Krieger's Affidavit, as well.
- 5.) Please advise me of all other procedures that I may need to address regarding Fraud and investing (typo correction: investigating) Assault with an illegal weapon.
- 6.) Please advise on how to procedurally address unpaid commission/bonuses that resulted in taped conversations that IBM Used to profit from with third party companies. IBM failed to respond.
- 7.) Do I need to contact the District Attorney of New York City or Westchester County?
8.) Do I need to contact the U.S. Postal Office's fraud unit?
I look forward to your response. I am hopeful that you will endorse this letter with your response regarding a specific date and time to have a preconference trial to discuss these issues listed.

Sincerely,

Stephanie Christoff
